**Mediumship Demonstrations**

Live, unscripted demonstrations of evidential mediumship, relaying evidence, memories and messages from loved ones in the spirit world to audience members.

**Speaking Engagements**

Educational talks on spirituality and the spirit world, designed to inform and inspire a group as a whole. Not a demonstration.

**Classes and Workshops**

Engaging, effective teaching for people who want to develop or deepen their mediumship and psychic abilities, from a single workshop to a full week.
